Old Business:

Survey Results/Conference Decision

-A survey was sent out to all ColoradoRID members requesting feedback for the 2012 State Conference. The majority of the surveys returned opted for the shortened 1 ½ day conference here on the Western Slope.

-CRID website is being updated, new calendar, trying to be more informational, may have “members only” section added, organizational members listed. Initial hope for the website was to receive 200-300 hits per month; currently it is receiving approximately 200-300 per week.

New Business:

-2012 State Conference.

-Western Slope’s turn to host, with less than 2 months to do it in.

-Tentative scheduled conference dates are April 27 & 28, 2012

-Conference Theme “Back to Basics”

-CRID President Tami Sparks volunteered to issue a notice in order to gather interest and volunteers to form a conference planning committee.

-due to the lack of planning time we have, the requested response deadline for volunteers will be by the 1st of January.

-a conference call will be scheduled after response deadline
